

::FIRM OVERVIEW

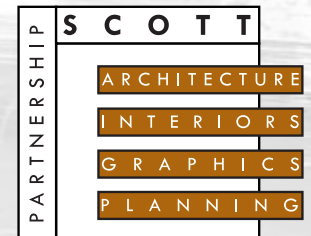

The Scott Partnership Architecture (TSPA), Interiors, Graphics, Planning, & Design-Build has been headquartered in Orlando, Florida since 1985, and remains one of the leading international multi-disciplinary design firms. Led by CEO, Raymond Scott, AIA, the firm is internationally recognized for its diversity of experience, it's business acumen, creativity, and added value. Project type specialties include: Mixed-Use, Retail, Entertainment/Hospitality, Office/Industrial, Religious, Municipal, Residential, Education, Senior Living, Sports & Recreation, and Health Care.

TSPA benefits from a high-energy, visionary and entrepreneurial culture in which passion to produce excellence is the fundamental mission. We pride ourselves on delivering results that exceed the client's expectations and completing projects on-time and within budget. We know that our firm's success is built on the talent, integrity, and enthusiasm of our team. The Scott Partnership has offices in Atlanta, Mumbai, India and Manila, Philippines.

TSPA also has companies that provide:

- Development (ISC)
- Design-Build (TSPA IS)
- Interior Purchasing (Within Walls)
- Reprographic Production (LRG)
